maytronics
Exceptional Pool
Experience

DOLPHIN EXPLORER

Enjoy the Dolphin advantages.

Dolphin Explorer excels at doing what Robotic Pool Cleaners are designed to do – to keep a pool clean and hygienic.

Dolphin Explorer - The cost effective way to ensure entire pool cleaning, using advanced cleaning technologies.

Recommended for pools up to 12m in length.

- CleverClean unique scanning system guarantees complete pool coverage of any type of pool including shaped pools and pools with obstacles.
- Effective brushing and scrubbing system minimizes bacteria and algae development and ensure hygienic, clean and healthy pool water.
- Precise walls and waterline cleaning removes oily layers build up.
- Top-opening filtration compartments for easy emptying and cleaning.
- Reliable filtration in all pool conditions.
The filtration system ensures a dust and debris free pool without clogging, leaving crystal-clear water throughout the pool. (optional ultrafine filtration cartridge).

Specifications:
